Previous agility experience	

**Please bring to class: a crate for your dog, tug toy(s), lots of soft tiny treats (several kinds).**

Please keep all dogs on leash. I ask that you not let dogs interact with each other for the first several classes. Instead I want them to interact with you only. If you can get there early to let dogs settle in would be great. I start my classes on time.

Please park in front of the Grand Stand, on the right side of road. Please leave enough room for another vehicle to get through. **DO NOT PARK ON GRASS.** *Important:* You must observe the fairgrounds' 10 mph speed limit and these other rules, or we might lose the use of this location for classes.

**Please bring application, liability form and check on first night of class.**

**Please make your check out to Catherine Toft for \$90.**
